

Commercial & Athletic Field Services
888-374-7336

NOTICE

A vegetation control application will be applied at all school grounds and athletic fields in the next week. This application, weather permitting, will take place on Wednesday, May 20—Friday, May 22.

The area treated will be posted with small signs when the application is complete. Do not enter treated areas until the application has dried (usually 30 minutes). No applications will be done near school buildings or playgrounds during school hours!

If you have questions, please contact Jaime Carnes @ 616-254-5001.

AAA Lawn Care, Inc. is the first and only lawn care operator in the State of Michigan to achieve the Michigan Turfgrass Environmental Stewardship Program designation. www.mtesp.org
