Dear Students, Parents, Staff, Comstock Park Community, Friends,

I have been an employee of Comstock Park Public Schools for 18 years. In that time I have served as Principal of Greenridge Elementary, Stoney Creek Elementary and for a brief time Pine Island Elementary Schools. With the passage of Senate Bill 1227 and House Bill 5953 I have been placed in a position that I could never have anticipated. Future aspirations for myself include working as an Educational Consultant for school districts. The recent retirement incentive bill has forced me to alter my current plans to accomplish a professional goal. In order to ever take advantage of becoming a contracted employee I must be retired from the Public School system of Michigan by June 1, 2010.

Therefore, I must tender my retirement from the Comstock Park Public Schools effective May 28, 2010. My last day at Stoney Creek will be this Thursday.

Stoney Creek Elementary School has been my home. My family and I have been members of the Comstock Park community for almost 20 years. I have been blessed to meet and get to know so many wonderful families. I have had the privilege to work with so many extraordinary teachers, staff and administrators. I have been delighted to have experienced so many remarkable students. So it is with great regret that I leave my position as Principal of Stoney Creek Elementary School. I am honored to have been given the opportunity to make a contribution to the lives of the many students that have passed through our school doors.

With Great Respect and Many Thanks,

B. Fidler
