

Hello Mill Creek, it is Monday, April 22nd!

Students, a reminder that M-STEP testing is this Wednesday and Thursday. Room assignments are posted in the 6th grade hallway outside of Ms. Berry's class and in the 8th grade lobby across from the computer lab. 6th is blue, 7th is yellow, and 8th is pink. Please make sure you know your room assignment for test day.

Today the track team travels to Kelloggsville for a quad meet. Track athletes DO NOT take the bus to the high school at dismissal. Get into your uniform here at Mill Creek and then meet in Coach French's room to get your events and wait for the bus. Good luck to all!

The Mill Creek Art Show is coming next week. This will run for 4 days. Please check your Panthers Google Classroom for more information. You can also grab a flier with details about it outside the art room. The show will feature students that had art class with Mrs. Goulooze from the whole school year!

If you are attending the field trip with Mrs. Hill tomorrow, please stop by her room, room 125, at your lunchtime.
