There will be a meeting tomorrow during Flexisched for any girls interested in playing softball. Talk to Coach Bryant or Coach McCutcheon for more information and sign up today! The selection for the meeting is under Coach Bryant's name.

If you are a Junior who is interested in a FREE summer research opportunity at the University of Michigan, please sign up in FlexiSched on Monday. It will be listed under Ms. Stornant's name. Zeidy Contreras-Baez participated last year and would like to promote the program to other CP students.

Ms. Stornant will be showing a recording of a FAFSA Completion webinar during Flex time on Friday, 12/8. This will be helpful for any Senior who plans to apply for financial aid at college or trade school. Juniors who plan to pursue post-secondary education should also consider attending. Sign up in FlexiSched

There will be a meeting tomorrow during Flex for any boys interested in playing golf. Make sure you sign up so you can meet Coach Herrin and get more information.
