Spring Athletes - The varsity team locker room is available for you to put your equipment for practice everyday. It will be unlocked in the morning but locked up during school hours. You might want to purchase a lock for your locker. <u>Do not</u> ask the office to leave your equipment there. Thank you!

Attention JV Baseball Players: Today we will be having practice indoors! Meet in the high school gym after school at 3 pm.

Seniors - Do you know who you'll be walking with for graduation? Make sure you and your partner fill out a form and turn it into the office by March 27.

Seniors - If you have volunteer hours to turn in, they are due by March 27th. No hours will be accepted from seniors after Spring Break. Seniors with 50 or more hours will be recognized at the Senior awards ceremony, so get those hours in! You can check the list in the guidance office for your total hours.

There are only **7** more wake ups until SPRING BREAK!!
