

Hello Mill Creek, it is Monday, January 22nd!

Green team, please report to Ms. England's room after announcements for recycling day. Teachers, please have your recycling out and ready to be picked up.

Students - Do you want in on the fresh popped popcorn? You can prepay \$8.00 for the last half of the year. Popcorn will be delivered during 6th hour once or twice a month. Students that already get popcorn - you do **NOT** need to pay again - you will continue to receive your bags! Stop by Mrs. Thompson's room to grab an order form.

Thank you and let's make tomorrow even better!
