

Hello Mill Creek, it is Friday, September 29th!

Our own Deputy Brown was selected as Michigan's School Resource Officer of the year. What an honor for Deputy Brown and representing Comstock Park. Next time you see Deputy Brown in the building, please congratulate her on this proud moment and all her hard work she does at Comstock Park.

Students, a reminder that coats and hats must be kept inside your locker during the school day. Coats are not to be worn in the classroom.

Today is our special PBIS Movie day! Students, please know that no candy, food, or drinks are allowed during the movie.

And the gym is open today if you'd like to use a PROS pass for advisory gym time. Teachers, please have your students who would like to use a PROS pass for the gym line up at your door and check their PROS passes. They may head to the gym after announcements.

Students, a reminder that slippers are not shoes and should not be worn to school. Please keep your slippers at home, and wear regular shoes on your feet to school. If you wear slippers in the future, you will be dress coded.
